

## **Kent Savers Annual General Meeting – 31<sup>st</sup> March 2021**

### **Annual Report of The Friends of the Kent Savers Credit Union**

Chris Hunt has resigned as Chair of the Friends during the year and we are extremely grateful for all the work he has done since the founding of the Friends. I took over as chair, ably assisted by Catherine Parker (as Secretary), Mary Anum (as Treasurer), Stephen Sidebottom (as Chair of KSCU) and Karen Richardson.

During the year the income from the lottery has increased by 5% to £846 and so averaged £70.50/month from on average 21 players.

At the end of 2019 we were behind on the payment of lottery prizes but this is now up to date leaving roughly 1 month of income in the bank on 31/12/2020.

Total prizes in 2020 were £720 (2019 £300) and contributions to KSCU were £372 (2019 £150) reflecting the catch up of running the lottery.

The lottery remains open to all members of KSCU and forms are available on the web site.
